CONNETQUOT RIVER STATE PARK PRESERVE

All Access to Preserve by Permit and Reservation
(631) 581-1005

GUIDED WALKS AND INTERPRETIVE PROGRAMS

Walks featuring the grist mill, trout hatchery, preserve history, natural sciences and ecology are presented year round. Upon request, tours, walks, lectures or other activities may be arranged to accommodate many fields of interest. Contact the Regional Environmental Office for information. (631) 581-1072.

TROUT FISHING

Flies, Fly rod and reel fishing for brook, brown and rainbow trout. 30 stream and pond sites available by reservation. Valid New York fresh water fishing license required. Sites issued first come first served on the day of reservation.

BRIDLE PATHS

Annual permits required for horseback riding on designated trails. Daily permit available at booth. Twenty five mile of bridle paths through woodlands.

EDUCATIONAL ACTIVITIES

Guide tours for school groups. Seasonal nature study programs. BOCES-SCOPE Outdoor Learning Laboratory.

CROSS COUNTRY SKIING

When conditions permit (3 or more inches). Contact preserve office (581-1005).

SPECIAL INFORMATION

All access to preserve by permit and reservation available from Connetquot River State Park Preserve.

Permit and identification must be carried while in the Preserve.

Trail access shown on map. Kindly remain on marked trails. No pets.

Avoid fishing sites and platforms, wet or marshy areas, maintenance areas and building complexes.

Please do not feed the wildlife. Feeding wildlife creates many problems.

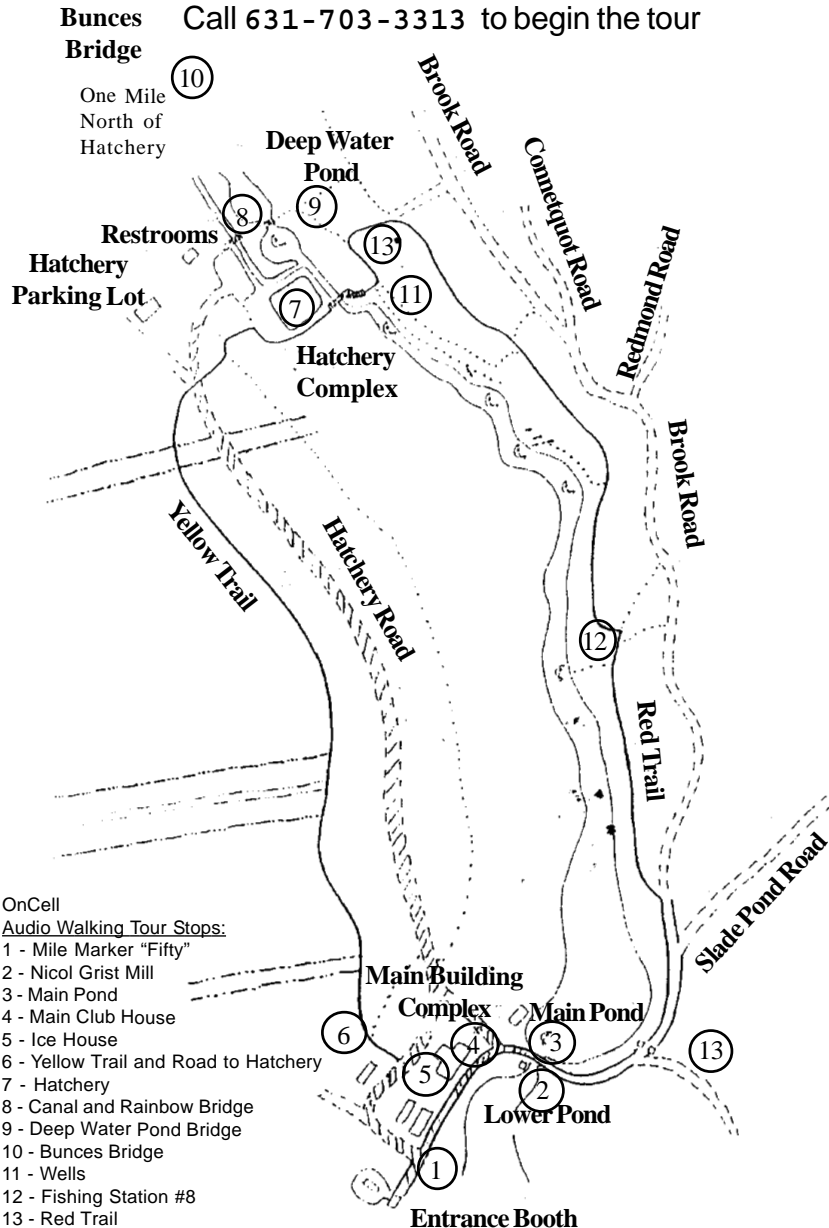

Please do not destroy, damage or disturb any plants, trees or animals.

Smoking is strictly prohibited in the preserve. Forest fires destroy wildlife.

Please do not litter. You are in one of the few remaining natural areas of Long Island. Kindly carry out everything you may have brought in.

The preserve closes at sunset.

Failure to abide by rules and regulations of Connetquot River State Park Preserve and Long Island State Park Region will result in immediate revocation your permit.
